Reminder to activate your ESB account

Dear EV Driver,

Thank you for signing up to use the ESB public charging network.

We noticed that your account has not yet been activated which is why you may have had an issue trying to use our chargers.

Activate your account by following the link in the email you received from us. If you have not received this email, please check your spam folder.

Alternatively you can call our 24/7 customer care line on +353 (0)1 258 3799.

Unless your account has been fully activated, you won't be able to charge.
