## ESB ecars Community Newsletter

14th November 2019

### Reminder to sign up now to fast charge your electric vehicle

#### Pricing to be introduced for ESB fast chargers from Monday 18th of November 2019

Dear EV Driver,

As part of an overall €20m investment programme to support Ireland's growing demand for electric vehicles, ESB is introducing pricing for use of the FAST public charging network in Ireland (43kW-50kW) from **Monday 18th of November**.

For those who haven't signed up, please do so via [www.esb.ie/ecars](http://www.esb.ie/ecars). From Monday 18<sup>th</sup> November you will only be able to use the fast chargers if you have signed up.

An **Introductory Offer** is available if you sign up before **30th November 2019** which offers 29 cent per kWh. This is the membership rate with no monthly subscription for 12 months. There is a PAYG option available also.

#### Account Activation

For those who have already signed up, **don't forget to activate your account** to avoid any issues from Monday 18<sup>th</sup> November. If you have registered you should have received a confirmation email. If you have not, please check your spam folder or login to check that your details (including email address) are correct.

**As part of the upgrade a new ecar connect app will be available soon.** The new functionality will allow the ability to swipe to start or stop a charge. It will show the real-time availability of the charge point network on an integrated interactive map, you will be able to track your usage, view your charge history, manage your account and order a new ESB charge point access card.

For more information and to sign up please visit [www.esb.ie/ecars](http://www.esb.ie/ecars).
